

Indian River Virtual School Provider Agreement

Students enrolling into Indian River Virtual School have three options (per Florida Statue 1002.45) from the Florida Department of Educations approved virtual instruction providers. Parents and students must select from one of the three providers that are contracted with the School District of Indian River County. This selection is made by the parent / guardian of the student being enrolled into Indian River Virtual School.

Please select one of the three virtual instruction providers to enroll your child in for the upcoming school year.
